

BACK TO THE STREETS! SAY NO TO U.S. WARS

- STOP WASHINGTON'S WAR MOVES TOWARD **RUSSIA & CHINA**
- STOP **ENDLESS WARS**: IRAQ, SYRIA, SOMALIA, PALESTINE, EVERYWHERE
- MONEY FOR HOUSING, HEALTHCARE & CLIMATE - **NOT FOR WAR**

Today working people face escalating costs of food and energy, recession, growing insecurity, and attacks on efforts to unionize. The continuing wars and military provocations have brought us to the brink of nuclear war. Yet during this election period, imperialist foreign policy has been getting little attention. It is time for us to be back in the streets to demand an end to US wars and provocations.

While the U.S. pours more weapons into the proxy war in Ukraine - holding open the possibility of direct confrontation with nuclear-armed Russia - the war fanatics in Washington seem determined to start even more fires around the world. Nancy Pelosi's trip to Taiwan; hints that the U.S. may be moving towards confrontation with China as well as strikes against Iran; and reports that new U.S./South Korea war games will practice a "decapitation" strike against the north (DPRK), all show the urgent need to speak out.

Stop US/NATO Wars and Sanctions from Cuba and Palestine to Russia and China

We need \$billions for Housing, Health Care, Jobs and Climate - NOT for War Profiteering
